Welcome to The Bentwood Inn

The Bentwood Inn is one of the top lodging locations in Jackson Hole, a member of the National Geographic Unique Lodges of the World, and a proud member of the Preferred Hotel Group's "Beyond Green Collection". We ensure exemplary service, attention to detail, and meaningful sustainability.

We are a 10-bedroom bed and breakfast sleeping 24-26 guests on-site, with an expansive back lawn perfect for receptions and ceremonies.

Our Jackson Hole inn was constructed out of reclaimed wood from Yellowstone National Park's great fire of 1988 and strives to add, not detract from, our beautiful surroundings. Isn't it time you come see for yourself?

What to Expect

Scenic Beauty: In the warm season, the area blooms with wildflowers and active wildlife. You can expect beautiful Wyoming snow-capped mountains and frosted evergreens in the cooler months.

Weather: The weather transitions from spring's mild temperatures and occasional rain showers in May to warmer, sunnier days in July and August, before cooling down in September and welcoming the crisp winter air and beautiful Wyoming snowfalls.

Outdoor Activities: Opportunities abound to enjoy the Wyoming wilderness. In the summer, go hiking in Grand Teton National Park, fly fishing in local rivers, whitewater rafting on the Snake River, or explore trails by mountain bike or horseback. In the winter, you can enjoy Jackson Hole's renowned ski areas, dogsledding, snowmobiling, hot springs, wildlife tours, and more.

Events and Culture: The summer calendar features the Jackson Hole Rodeo, Grand Teton Music Festival, and various art fairs and outdoor concerts. In the winter, you can enjoy shows at the Jackson Playhouse, live music in local restaurants, and visits to the National Museum of Wildlife Art.

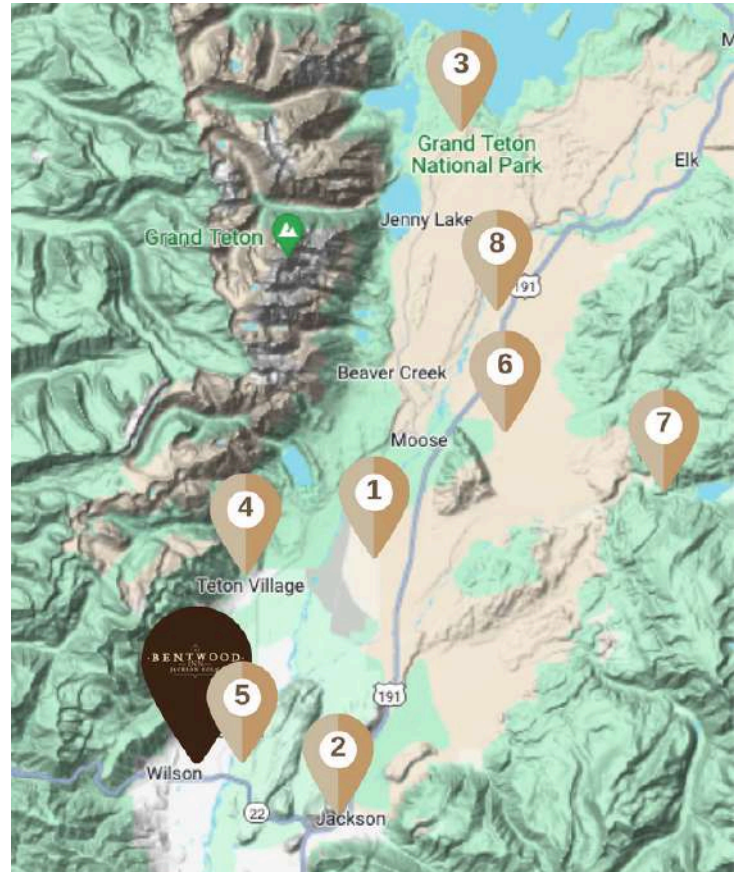

Visitor Considerations: Accommodations should be booked early due to high demand; visitors are advised to explore beyond popular spots to avoid crowds. The Bentwood Inn is located just outside of town, close enough for convenience, but just far enough to be out of the crowds.

Convenient Location

“The location here is prime, making you FEEL like you are out in a lodge in the woods, but so conveniently within access to everything.”
